<b>Deskripsi Singkat MK</b>		The course provides students with the skills to desect research paper critically. In addition, student will also learn to present their research paper in an academic forum. The class will follow a seminar format primarily, with all students working on editing teams for their peers. The research paper must cover background of the study and state of the arts of the topic chosen.

1	To be able to plan what to do to perform well in this course	To show understanding on what is academic forum, ethic in academic forum, and effective presentation.	<b>Kriteria:</b> To present a research paper written by other scholar confidently To present their ideas logically using relevant arguments	Discussion, lecture, question-answer, assignment 2 X 50			0%
2	To know what to do in this course To present a research paper written by other scholar confidently to give relevant and critical assessment on others 19 research paper To write a research paper of about 1500 words on current issues in ELT for presentation To present their ideas logically using relevant arguments To utilize available sources to communicate their ideas presented in the research paper. To give others relevant feedback to improve the research paper To revise the research paper based on the feedbacks given by the audience	1. To show understanding on what is academic forum, ethic in academic forum, and effective presentation. 2. to ask questions relevant to the paper discussed. 3. To give suggestion(s) for further research on the discussed paper. 4. To develop the topic into appropriate research paper. 5. to present the research paper in an academic forum confidently. 6. To utilize available sources to communicate their ideas presented in the research paper. 7. To give others relevant feedback to improve the research paper 8. To choose relevant feedback to revise the research paper. 9. To use feedback given by others to revise the research paper. 10. To revise the research paper appropriate for presentation in an academic forum.	<b>Kriteria:</b> To present a research paper written by other scholar confidently To present their ideas logically using relevant arguments To write the research paper based on the feedbacks given by the audience To give relevant and critical assessment on others 19 research paper in appropriate manner	Discussion, lecture, question-answer, assignment 2 X 50			0%
